## **How to Make Reservation**

Call Debbie at (262) 886-2235 to make your reservation. We will need to know your best estimate of students, parents and teachers in your group. **One free teacher or staff member for every 15 paying children.** Parents and siblings are welcome with your groups and will be charged the same fee as the student. This guarantees each person a seat on the hayride (if part of your package) and a pumpkin. There is no charge for non-participating children under the age of 2. Please make sure all parents are aware of this information. Even if the parents do not ride the bus with your group, please collect their fees in advance. This will greatly speed up the check in process and keep your group on schedule.

## **Arrival and Payment**

Having your program begin on-time is extremely important for maximum enjoyment. If your group is late, we will start our other groups at their scheduled time and try to get your group in at the next possible opening.

Payment is due upon arrival by one designated leader per group. A single payment covering the entire group is preferred and can be in the form of MasterCard, Visa, Discover, cash, or a check payable to *Borzynski's Farm & Floral Market*. We are happy to provide you with a receipt for your records.

*Please call Debbie with any questions (262) 886-2235.*

**We look forward to seeing you this fall!!!!**
